

## SPORTS PREMIUM ALLOCATION OF MONEY 2018-2019

### **Sport Premium**

At Willow Tree Primary School we believe in the importance of leading an active and healthy lifestyle. An exciting and engaging PE and SPORT curriculum is vital in achieving this and we feel that as a school we are working towards ensuring this is put into practise.

In April 2013, the Government announced new funding (Sport Premium) for physical education (PE) and sport to improve the quality and breadth of PE and sport provision at school, for two years.

On 17th July 2017 the Department for Education confirmed that the Primary PE & Sport Premium will double from September 2017.

The purpose of this funding is to support schools in delivering an exciting sports curriculum, and provide a wide range of sporting opportunities to all pupils.

As a school in 2017 we will receive £16000 plus an additional £10 per pupil from years 1-6 to be spent on improving the quality of PE and SPORT at Willow Tree. This will mean a total amount of approximately £19,900.

We are using the Sport Premium to improve the quality of PE and Sport provision in the following ways:

### **Our Vision**

Our vision is that the implementation of the sport premium funding will further develop the strong ethos of an active and healthy lifestyle Willow Tree strives to promote and help us in raising standards of all our children in Physical Education. We are determined to instil a positive attitude towards sport and a strong sense of team work through offering a diverse range of extra-curricular activities and regular competitions. We strive to implement and maintain an exciting PE and SPORT curriculum in which all our children are actively engaged.
