The four main areas of Child Protection are:

- 1. **Physical Abuse** hitting, shaking, throwing, burning, biting, etc.
- 2. **Sexual Abuse** be aware this does not always mean actually touching a child. It could be someone making you watch things to do with sex or encouraging you to act in an inappropriate way.
- 3. **Neglect** this means things like not providing meals or warmth or clothing. Or perhaps not taking you to the Doctors when you need to go. There may be lots of different reasons why a child is neglected and it is important that we know so that we can help.
- Emotional Abuse this means when someone upsets you or makes you feel bad. If someone in your family says horrible things to you and makes you feel sad and worthless

These are just a few examples for you and if you think you may have a problem that is similar to one of these then talk to us.

How Willow Tree Primary keeps you safe Telling an adult in school is the best thing you can do to keep yourself safe. You can speak to your teacher, teaching assistant or a dinner lady. You can also speak to Davina from Place2Be:

What happens next?

These people then help to keep you safe, by deciding what to do next.
