

SPORTS PREMIUM ALLOCATION OF SPENDING 2021-2022

Sport Premium

At Willow Tree Primary School we believe in the importance of leading an active and healthy lifestyle. An exciting and engaging PE and SPORT curriculum is vital in achieving this and we feel that as a school we are working towards ensuring this is put into practise.

In April 2013, the Government announced new funding (Sport Premium) for physical education (PE) and sport to improve the quality and breadth of PE and sport provision at School, for two years. On 17th July 2017 the Department for Education confirmed that the Primary PE & Sport Premium will double from September 2017.

Covid 19 Update 2020

As a result of the coronavirus (COVID-19) outbreak, the Department for Education took steps to relax the ring-fencing arrangements for the PE and sport premium in the 2019 to 2020 academic year to allow any unspent grant to be carried forward into the 2020 to 2021 academic year.

Any under-spends carried forward from the 2019 to 2020 academic year will need to be spent in full by the end of the 2020 to 2021 academic year. Schools should factor this into spending plans for their 2020 to 2021 PE and sport premium allocation. The [2020 to 2021 conditions of grant documents](#) have been updated to reflect this.

The purpose of this funding is to support schools in delivering an exciting sports curriculum, and provide a wide range of sporting opportunities to all pupils.

As a school in 2021 we will receive £16000 plus an additional £10 per pupil from years 1-6 to be spent on improving the quality of PE and SPORT at Willow Tree, which totals approximately £19,770.
