

18th September 2020

Dear Parents and Carers,

As a result of the rising numbers of COVID-19 cases in the community we have made the decision that from Monday 21st September all parents/carers/adults who enter the school site must wear a face covering. It is a challenging time for us all and we would appreciate your support in keeping the whole of our school community safe.

This will include drop off and collection of your children and if you are entering the school building.

As per government advice children of primary school age do not need to wear a face covering.

Reminders for Parents

- Wherever possible only one parent dropping off and picking up on the playground
- Please help us by not congregating on the school playground including the play park once you have collected your children
- Continue to socially distance on the playground
- If you wish to speak with your child's teacher please ring the office to make an appointment
- Please continue to arrive on time for morning drop off and home-time collection

Thank you for your continued support.

R. L. Munro.
