

31st October 2024

Dear Parents/ Carers,

I am delighted to share our latest Ofsted report which is attached to this email.

As you know we had a full inspection the week before half term where one of His Majesty's Inspectors accompanied by two other team inspectors came to Willow Tree. Over the two days the team looked at the following areas listed below by speaking with leaders, teachers, looking in children's books, speaking with children and visiting lessons.

Quality of Education

Behaviour and Attitudes Judgement

Personal Development Judgement

Leadership and Management

Early Years

At the end of the inspection schools are now given a grade for each of the five areas.

Schools no longer receive an overall judgement.

Our judgements are as follows:

Quality of Education Judgement	Good
Behaviour and Attitudes Judgement	Outstanding
Personal Development Judgement	Good
Leadership and Management	Good
Early Years	Good

We are delighted that the report recognises how hard our school community has worked to ensure that all of our children have access to a high quality curriculum which sets out what pupils learn.

We are particularly proud with the outstanding grade we have received for behaviour and attitudes. The children are recognised in the report – inspectors say they are polite, friendly and charismatic. Children are also highly positive about their school experience.

We hope you enjoy reading the report. We are now focused on making improvements in the focus areas identified.
