### Willow Tree Primary School Collection of Children Procedures Year 6

We now feel that all children are leaving school safely, therefore due to parental request we have made the decision to allow **Year 6** children to walk home by themselves from Monday September 20<sup>th</sup> 2021 as long as we have written parental permission.

Children will be expected to make their way straight home and not congregate with friends on school grounds or just outside of school. We will be monitoring this.

**Children will still be unable to bring phones into school.**

Thank you for your continued support.

**PLEASE COMPLETE THE FORM BELOW AND RETURN TO SCHOOL.**
