

7th September 2021

Swimming

5A will be starting swimming lessons on Friday 10th September 2021

Class 5A children will be having swimming lessons on Friday afternoons, beginning Friday 10th September 2021. The children will be walking to Clarendon Swimming Baths, therefore it is important that they have a waterproof coat.

Swimming is an important part of the curriculum and all children should attend the lessons unless they have a medical note from their doctor.

Children need the following kit to go swimming:

Girls

A one piece bathing suit

Towel

A swimming hat

Boys

Swim shorts or trunks that are above the knee

Towel

A swimming hat

If you wish for your child to wear goggles they must bring in a separate permission letter to hand to the swimming teacher to enable them to wear them.

There is a risk assessment on our Website provided by Clarendon Baths.

Thank you for your continued support.

K. Lyons
Deputy Headteacher
