

26th February 2021

To: Parents/Carers of Children Currently Attending School

As you may well be aware, we are planning for the return of **all** children from Monday 8th March. We currently have reduced numbers of children in school, however from Monday 8th March, all children are expected back in school.

As the variant of the virus is more transmissible it is important that we try to reduce social contacts on the school playground at the start and the end of the day.

All children must be at school at their allocated time ready for their teachers to escort them to their classrooms. This is particularly important for those children in Years 3, 4 and 5 who enter school via the upstairs corridor. **Start and finish times are attached.**

From Monday 8th March any child that misses their allocated entry time must be taken by their parent/carer to the school office and wait outside until 9.10am. Your child will then be taken through to their class bubble.

When we have had to impose this strict approach in the past, a small number of parents have been angry or upset at having to wait, due to work commitments for example.

We cannot be flexible in this arrangement from 8th March, as it will compromise safety for all children and staff in school.

You have all made great efforts to support school during these challenging times and we are very thankful for that. Please continue to:

- Wear a face covering.
- Closely supervise your child at all times.
- Only one adult to drop off or pick up children.
- Leave the school grounds as soon as you have dropped off or collected your children.
- Come at the correct time for your class.

Thank you for your continued support, we need to carry on working together in these challenging times.

Yours sincerely,

R.L.Munro - Head Teacher
