Dear Parents and Carers,

Happy New Year!

*We are looking forward to welcoming children back on Monday morning.  
As always, our priority is keeping your children safe and happy.*

***As the rate of the virus is increasing and the new virus is more transmissible, we are preparing for a challenging start to term. In order to prevent an outbreak of the virus on the school site we will be tightening up some of school procedures.***

- Please ensure only one adult accompanies your child to school, if additional family members come on to the playground they will be asked to leave immediately
- You come at the correct time for your class
- All adults must wear a face covering on the school site. If you do not wear a mask please wait outside the school playground and send your child to their line or class
- The play park is no longer in use

**To ensure that class and cohort bubbles do not mix**

- All children must enter school supervised by their teacher (Children in Years 3, 4 and 5 must line up in their allotted space ready to be supervised up the stairs with their teacher)
- Any child who misses their class time and their teacher will have to wait to enter school via the school reception area
- Late children will be admitted safely one at a time after 9:10. This is to ensure the safety of all staff and children please make every effort to come on time
- At the end of the school day please leave the school grounds as soon as you have collected your children and do not congregate outside
- Lastly, please ensure your child has a school jumper or cardigan. School needs to be well ventilated – this means doors and windows will be open
