We Need Your Help! Parking Issues.

Many of you have commented on the selfish parking that is happening at the beginning and the end of the day. Please remember to park considerately and remember that local residents need to access their homes and cars. If you need to come to school by car please park a little further away and walk the rest of the way in. This would reduce the volume of traffic in the area immediately around school and make it safer for all the children.

Rubbish

We are also concerned about the amount of rubbish on the streets surrounding school and particularly on the road at the back of the shops on Langworthy Road. You can help us by complaining about the rubbish problem to Salford City Council on <https://www.salford.gov.uk/report-it/> to report an environmental issue. Please support us to keep our community clean and safe .

We close for the February half term on Friday afternoon. We reopen on Monday 24th February. We will be welcoming Miss Jones back from her maternity leave on this day. We will also be sending out Parents' Evening Letters the week we return. Please look out for them.

Please look out for a letter regarding punctuality. We are concerned by the number of children who are coming to school late every day. We will be monitoring those children who are persistently late after the holiday.
