

If people online are mean or worry me:

WHAT SHOULD I DO?

- Tell an adult I trust straight away.
- Try to stay calm.
- Report anything that worries you.
- Try to ignore the person.
- Block and delete the person.
- Keep all messages for evidence.

STOP!
BLOCK!
TELL!

What I should not do!

- Do not keep worries to yourself.
- Do not be unkind or nasty back.
- Do not get angry or upset.
- Do not allow the person to keep being unkind.
- Do not delete messages.

What our school does to respond to e-safety issues?

- We take online safety seriously.
- We listen to the children involved and offer support.
- We investigate and look at evidence.
- We make sure children face up to the consequences of their actions.
- We communicate with parents or carers about any issues.

What does the school provide to keep us safe?

- The school maintains anti-virus software to keep viruses away.
- The school maintains Internet filters to keep us from seeing inappropriate content.
- The school keeps access to I-pads and laptops secure.
- The school keeps our network and wi-fi access secure.
- The school makes sure all staff have training to help keep children safe on the Internet.
- The school provides a list of appropriate websites through Digitech
- The school keeps searching safe on Google and other search engines.

Our Internet Safety Rules

What is E-Safety?

E-Safety means electronic safety.
E-Safety is important because it helps to keep children safe so they can enjoy, explore and have fun!!

E-SAFETY!

Why do we need an E-safety Policy?

- To keep children safe on the Internet in school and out.
- To advise children of appropriate content.
- Raise awareness of what to do when something strange occurs or they are worried.

The Internet is great because:

- You can learn lots of things
- You can have lots of fun
- It can help with our school work
- You can stay in touch with family and friends

Who can we tell if we have worries about e-safety or cyber-bullying?

- Friends
- Family
- Teachers

Some online dangers include:

- **Cyber Bullying** – nasty text messages and email, swearing on X-boxes.
- **Stranger Danger** – some people, who we talk to online, we don't know who they are so they are strangers.
- **Bad Language** – Sometimes when we are online, we can see or hear swear words that might upset us.
- **Content Online** – some material online is not suitable for children to look at.
- **Viruses** – some emails can contain viruses.

How should we act on the Internet?

S	Keep your personal information SAFE and SECURE .
M	Do not agree to MEET anyone from the Internet; they may not be who you think they are.
A	Do not ACCEPT messages or e-mails from somebody you don't know.
R	REMEMBER , do not always trust the information you find on the Internet; it may not be correct.
T	If something or someone upsets you on the Internet TELL a trusted adult in school or at home.

Always ask permission before using the Internet.

We use web-sites our teachers have advised us to look at.

We only e-mail people our teachers have asked us to.

When we send e-mails they are polite and friendly.

We never give out our address or telephone numbers.

We never arrange to meet anyone we don't know.

We don't open e-mails from people we don't know.

We tell a teacher if we see anything that we are unhappy with.
