We will introduce measure including length, height, mass and capacity.

OTHER LEARNING AND NEED TO KNOWS

As part of our Personal Development Education Programme, we are supporting the children to demonstrate self-knowledge and self-esteem. We are encouraging persistence and supporting children to keep trying. We will be working with the children to set their own goals and to think about things they would like to achieve.

Key Information This Term

We are working hard with the children to get them to put on their own jumpers and cardigans. Please support this at home.

School closes for the end of term on:

Thursday 2nd April

We return:

Monday 20th April

Parents Evening will be held on Wednesday 25th March and Thursday 26th March.

During the final week of this half term, we will be learning about the Easter celebration. There will be an Easter Bonnet Parade in school. Further information to follow.

Please encourage your child to take their coat off and hang it on their peg, independently in the morning, as well as removing gloves, hats and scarves and placing them in their trays.

Also, please continue to support your child to self-register in the morning. We are delighted that so many children are now able to recognise their own name and are able to self-register.
