SCIENCE

This term we will continue learning about **Living things and their habitats**

Our Key Knowledge is:

- Compare the difference between things that are living, dead and have never been alive
- Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants and how they depend on each other.
- Identify and name a variety of plants and animals in their habitats, including micro-habitats.

History

This term we are learning about 'Queens' we will:

- Know why the three queens have been remembered
- Know the order in which they reigned and roughly how many years ago
- Know at least one main change that took place during each of their reigns
- Understand that the power of the ruler was much greater when Elizabeth I was queen.

MATHS

This term we are focusing on: pictograms, money and 2D shapes.

Please continue to help your child access 'Times Table Rock Stars' to support learning their 2, 5 and 10 times tables.

OTHER SUBJECTS LEARNING AND KEY KNOWLEDGE

- This term in Art and Design we will be learning all about L.S Lowry and creating our own Lowry inspired painting.
